WILL DEFEND THE BANK CASES

Meeting of State Bankers at Louisville Yesterday.

Humphrey, Burnett and Humphrey Have Been Employed to Defend.

BANKERS EXPECT TO WIN

HAVE SHIP LOAD OF WAR MUNITIONS

Nicurangian Government Seems to Expect Trouble.

Pay of Rural Carriers to be Increased by Congress Soon.

TEXAS RACE WAR OVER

Mr. W. F. Paxton President of the Citizens' Savings Bank, has returned from Louisville where he yesterday attended a meeting of state bankers whose object was to take steps to protect themselves in the suits against them filed by Auditors Agent Frank Lucas of Paducah for back taxes on deposits in the state banks.

It was decided to employ Humphrey, Burnett and Humphrey of Louisville to defend all the suits. Judge Burnett one of the members of the firm is a former Paducah. It is not yet known what case will be selected as the test case but it has been agreed that if the prosecuting attorneys Taylor & Lucas, of Paducah, will agree one of the cases will be taken as a test case, tried in the lower courts and taken to the higher courts.

It is believed that the attorneys will agree to this. Several cases come up at Louisville Monday and several others at Paducah the following Monday, but it has not yet been agreed what shall constitute the test case.

One case has already been tried. That against the state bank at Jackson, Breathitt county, who dismissed by Judge Hargis on demurrer yesterday, but no details have been received, and this of course does not settle the case, as the only thing that can settle the cases is a decision in the court of appeals.

The bankers all over the state confidently expect prompt dismissals of the suits when they come up, not only in the lower courts, but in the higher courts as well, according to the sentiment expressed at Louisville yesterday.

BOYS FIGHT

Councilman Watson's Son Arrested for Cutting Negroes.

Claims Two Attacked Him on the South Sixth Street Bridge.

Frank Watson, a son of Councilman Watson, was arrested this forenoon with two negroes, Ellis McClelland and Frank Boyd, for malicious cutting, and all three were released on bond.

The cutting was done by Watson, who claims he was attacked by both negroes. He used his knife with effect. The McClelland negro was cut once on the right temple and again under the right eye. One deep wound was inflicted on the nose, but neither is of a serious nature.

The fight occurred on the south Sixth bridge in Mechanicsburg about 11 o'clock this morning.

ROUGH TIME

WHEN GERMAN TROOPS STARTED FOR SOUTH AFRICA.

Berlin, March 30—The departure of three hundred reinforcements to the troops fighting the rebel Boers in German South West Africa, caused serious rioting here today.

An anarchist mob molested the soldiers, attacked the railway station, maltreated the official and tore up the rails. It was finally dispersed by the police.

The mail carriers have received information that the bill increasing their pay has been defeated in congress. Postmen all over the country had been fighting for the bill.

HEAVY LOSSES

Livermore, Ky., March 30—Green river is very high and rising rapidly. Thousands of saw logs are loose and lost. The farmers are unprepared and will lose very heavily. Thousands of acres of wheat are under water and ruined.

MINE AFIRE

Houghton, March 30—The Quincy, the most famous mine in the copper region of Michigan, is afire and will probably be seriously damaged.

FIERCE FIGHT IN NORTH KOREA BETWEEN ARMIES

Both the Japanese and Russians Lost a Number of Men.

Russia Opened by Attack of Cossacks and Infantry, and Retired.

JAPS COULD NOT HOLD THE POSITION VACATED

St. Petersburg, March 30.—Gen. Kuropatkin, Russian commander-in chief in the far East, made his first report yesterday to the Czar, in which he forwarded Gen. Mishchenko's account of a battle between Cossacks and Japanese cavalry, at Chong Ju. The engagement was sharp and, although the Russians were obliged to retreat, the Japanese were unable, because of their losses to hold the position vacated by the Cossacks.

From Ping Yang came special dispatches, one reporting the arrival there of a prince of the imperial house and relating the enthusiasm of the soldiers over the fact that a royal warrior had decided to share their hardships and victories and defeats.

Japan's advance was reported from Ping Yang as being one of thoroughness. Strategic points along the line were said to be heavily fortified, and every possible precaution taken for offensive and defensive warfare.

From Chinanpo, a special dispatch described the arrival of Imperial Guards, the cream of the Japanese army.

America, France and England discussed the martini law order for New Chwang, but no action was taken, the decision being to await developments rather than to be hasty in a matter wherein it is admitted Russia probably is well within her rights.

RURAL CARRIERS PAY.

Washington, March 30.—After two days' consideration of the postoffice appropriation bill, the senate committee reported it last night.

The bill reported does not include all the amendments made by the senate committee on account of the late session held in order to complete the measure. A "dummy" bill was reported while the clerks prepare the measure for the public printer.

On account of its incompleteness the exact amount of the increase made can not be given, though it is said the till will carry not more than \$1,000,000 over the bill as passed by the house, except for an emergency measure incorporated in the bill.

Among the important amendments to the bill are the following:

The salaries of rural free delivery carriers are fixed at \$520 a year, and the carriers are permitted to carry merchandise for hire and receive subscriptions for and deliver newspapers and periodicals so long as this occupation does not interfere with the proper discharge of their duties. It is stipulated, however, that the carrier shall not discriminate against any newspaper, which desires to avail itself of the privilege of employing them.

RACE WAR QUIET.

Silsbee, Tex., March 30—The race trouble here since Sunday has quieted down and the militia will not be needed longer, as practically all the negroes have left the vicinity during the trouble. One white and two negroes have been killed.

BATTLE AT CHONG JU.

London, March 30.—The Japanese legation has issued the following account of the Russian repulse at Chong Ju, Korea: "Monday a portion of our cavalry occupied Chong Ju, after defeating the enemy in Conton street, Chong Ju. The enemy numbering about three hundred, retreated in the direction of Wi Ju. Lieutenant Tanouono and four others were killed. Captain Kurokawa and twelve others were wounded. The enemy probably sustained equal casualties."

MANY JAPS LANDED.

Rome, March 30—A telegram from Seoul, Korea, states that the Japanese have made a determined attempt to land at New Chwang, Manchuria. The telegram adds that 45 Japanese transports have landed a large number of troops, guns and supplies at Chinanpo, Korea. There are now one hundred and twenty-five thousand Japanese troops in Korea.

GETTING READY FOR TROUBLE

Havana, March 30—A Nicaraguan government transport is here loading twenty thousand rifles, a million rounds of ammunition, and commissary supplies. The captain says the supplies are simply preparatory to a Nicaraguan defense in event of an anticipated attempt on the part of other states to force that country to join the Central American union.

RUSSIAN VOLUNTEERS CALLED

St. Petersburg, March 30—Inhabitants of the islands near Vladivostok have been ordered in the event of the Japanese attempting to land to kill their cattle and deer. They will thus prevent the invaders from obtaining supplies. Volunteers have been called upon from among the Russian peasants and in Ussuri districts.

NO LONGER NEUTRAL.

St. Petersburg, March 30—The Russian government has issued a declaration that after the recent Japanese

THE HOSPITAL PLANS ARE NOW FORMED

North Fourth Street to be Recommended as the Site.

Dr. J. G. Brooks Will Probably Be Chairman of Doctor's Committee.

COTTAGE PLAN FAVORED.

APRIL 28TH THE DATE

At a meeting of the Paducah Medical society tonight in the office of Dr. J. R. Coleman, a committee to confer with a committee from the general council about the erection of a city hospital, for which \$25,000 of the recent \$100,000 bond issue is to be spent will be appointed. A location and plans from the hospital building will also be discussed.

The hospital committee will probably consist of Dr. J. G. Brooks; the present city physician, Dr. Robert Rivers, and the late city physician, Dr. Lillard Sanders.

At any rate, it is practically sure that Dr. Brooks

will be chairman of the committee,

since he has been one of the prime movers in securing the new hospital

and has long been deeply interested in

having a new hospital in Paducah.

As has been said, the general sentiment among the doctors about the situation of the hospital, is that it be located on the site of the old fort, at the foot of Fourth street. It is the idea to secure a whole block, beginning at Clay street, on the east side of Fourth and extending to what would be Third street, if extended that far. This property is for sale and it is understood, could be secured for a reasonable amount. Part of it belongs to the estate of the late Mrs. Ad. Graham, and a part to the Norton estate.

"I do not believe," said Dr. Brooks this morning to a Sun reporter, "that more than \$16,000 or \$18,000 of the appropriation should be used for the building. The balance should be kept for equipment.

"The building should be erected with a basement, extending several feet above the ground, and should be built on the cottage plan. These cottages are all under one roof, and form cells, to the main building. Some of the best hospitals I have seen in various cities were built after this plan."

The building will of course be of brick. One of the physicians of the city suggested this morning that the private ward, which it is the purpose to have included in the hospital, be furnished by subscriptions from the Paducah physicians.

The location is regarded as especially healthy and commands a fine view of the river. It is the purpose to drain and fill all of the ponds and gravel pits in that locality, which have been thought to interfere with the healthfulness of that part of the city.

Dr. R. A. Hicks Called to Chicago on Sad Mission.

LOSES DAUGHTER

Little Girl Dead and His Wife Is Ill in a Hospital.

A telegram received here this morning announced the death, in a hospital in Chicago, of Margaret, the little daughter of Dr. R. A. Hicks, of this city. The child was taken sick several weeks ago, from typhoid fever, while visiting near Chicago. Dr. Hicks went to her and had her removed to the hospital in Chicago, where he left her very much improved, and apparently out of danger. Mrs. Hicks is also in the hospital where she had an operation performed.

Dr. Hicks received a message last night, saying that the child and Mrs. Hicks were both very much worse. He left at once for Chicago. A message received this morning announced the little girl's death, so he probably did not reach her before she died. She was about three years old and a bright, sweet child. The remains will likely be brought back here for interment, but since nothing has been heard from Dr. Hicks, nothing is known of the funeral arrangements.

WILL EASILY GET THE INSTRUCTIONS IN NEW YORK.

New York, March 30—As a result of the primaries throughout the state today there will be an overwhelming majority in the state convention favoring the instruction of delegates for Judge Parker. This is proven by the result of the primaries just over.

No dogs have been taken up to day, Ohio Collie being too busy to look after them at present.

JUDGE PARKER

FACTORIES HAVING TO CLOSE BECAUSE OF FLOOD.

Evansville, Ind., March 30.—The high water is closing the factories here. The Wabash levee broke this morning on the Illinois side of the Wabash near Vincennes, relieving the tension on the Indiana side. There is no loss of life reported today.

COUNCILMAN DIES.

Elkton, Ky., March 30—John W. Smith, a prominent liverymen and councilman, died at 8:30 o'clock this morning from heart disease after a short illness. He leaves a widow, two daughters and three sons.

HIGH AT EVANSVILLE

WATER BEING OPERATED AT OWENSBORO.

Owensboro, Ky., March 30—Warrants were taken out this morning, as a beginning of a war on the pool room which has been here for six months, operating, it is alleged, by Theodore Washburne and Buck Sparks.

Warrants are out for them as principals, and Teddy Helmske, Jim Ellie, Will Birch and Gus Seseman, as assistants.

TWO KILLED

AS A RESULT OF A COW BEING STRUCK.

Burnside, Ky., March 30.—A fast Queen and Crescent train, while rounding a curve near here this morning struck a cow, knocking the animal against Norton Morgan and his son Oscar. They were put on the train to be taken to the Somerset hospital, but both died before reaching Somerset.

PRES. FISH COMING TO PADUCAH

He Will Pass Through the City Next Monday.

is On a Southern Tour—The Illinois Central Is Booming Several Southern States.

LATE RAILROAD NOTES

President Stuyvesant Fish, of the Illinois Central railroad, will pass through Paducah Monday en route south from Louisville.

The local dispatching offices received a movement for the President's special this morning, but no information relative to President Fish's business south is given out. He is said to be on a general personal tour of inspection of the southern lines and will stop in Paducah only long enough to change engines.

The I. C. is devoting a great deal of time and advertising to Tennessee, Alabama and Mississippi, and has issued a booklet containing a speech delivered at a banquet given in the Auditorium at Chicago during a meeting of the Central Land Agents' Associations of Illinois and Iowa by Captain J. F. Merry. The speech booms the future of the three above mentioned states, and gives a great deal of space to Memphis, Tenn., a city which the I. C. has been instrumental in helping progress and which a great future is predicted for.

Special Officer Leander Robertson of the I. C. at Fulton captured two negro thieves who were looting the caubooze of Conductor Jim Richardson, that was on the siding in South Fulton. One of the negroes, Ed Harris, escaped, and the officer shot at him several times but did not hit him. Jim Bonetti, the other negro, was tried before Esq. Futral and sent to jail at Union city.

Mr. Robertson also arrested a negro in the blind baggage on the Kentucky side.

The I. C. is making improvements at Mayfield, Ky., and a crew of carpenters has been sent to Mayfield with the necessary material to be used in putting up a new depot. Mayfield expected a modern stone or brick structure, but is glad to get a new wooden depot.

Mr. J. B. Mallon, formerly chief clerk under Agent John Donovan here has been assigned to the duties of depot master at Louisville, succeeding Mr. George Jordan, resigned. Mr. Mallon has assumed charge of the depot at Louisville.

Master Russell McLean has returned from Lebanon Junction, where he had gone for his health, and returned to work in the local I. C. passenger depot this morning.

Mr. W. C. Sutherland, lumber inspector for the I. C., is in the city again today. Mr. Sutherland is stationed at Yazoo City and has an extended territory to work over.

SUMMER THEATER.

NOTHING DEFINITE YET DONE TOWARDS OPENING IN PADUCAH.

Mr. Matt Kusell, of Chicago, is expected in Paducah this week to close arrangements for the opening of the summer theater in Wallace park. Mr. Kusell is manager of the Garrick theater in Chicago and has a chain of summer theaters from Chicago, Ill., to New Albany, Ind., on which Paducah will be located. It is understood that he will have a week of stock followed by a week of vaudville, throughout the summer season.

It is likely the theater will open some time in the early summer, but the date has not yet been decided on.

THE BEST COUGH SYRUP.

S. L. Apple, ex-Probate Judge, Ottawa Co., Kansas, writes: "This is to say that I have used Ballard's Horchond Syrup for years and that I do not hesitate to recommend it as the best cough syrup I have ever used." 25c, 50c, \$1.00. Sold by DuBois Kolb & Co., Paducah, Ky.

The Savannah will pass up from St. Louis to Tennessee river today.

TO CURE A COLD IN ONE DAY
Take Larative Bromo Quinine Tablets. All druggists refund the money if it fails to cure. E. W. Grove's signature is on each box. 25c.

KENTUCKY NEWS OF INTEREST

Number of Happenings Throughout the State.

Congressional Campaign Opens in the Seventh—Deaths and Marriages.

HAYS'S REPORT TO GOVERNOR

HAYS'S COME BACK.

Frankfort, March 30.—Attorney General N. B. Hays has issued another signed statement in response to Gov. Beckham's answer to his criticism for vetoing the measure allowing assistants to attorney general's department. Gen. Hays insists that if the bill had become a law it would have saved money to the state. He says if the governor insists that part of the money expended should be charged to Bradley's or Brown's administration, he should assume estimated cost of unfinished work under him and the auditor for \$60,000, which would make the annual cost in four years \$24,457.48 instead of \$8,450 under his system.

He says the governor approved the order which paid out \$4,500 for attorneys' fees in the insurance cases to Pryor, Ellis and "Uncle Colie" Beckham, and the state got nothing. Hays' reply is a revelation of the fee system favoritism of the governor.

SENATOR CANTRELL STARTS.

Versailles, Ky., March 30.—The congressional campaign in the Seventh district was opened here by J. Campbell Cantrell and W. P. Kimball, of Lexington, who made speeches at the court house. Both speakers spent a large part of their time in reviewing the career of Representative Trimble and in criticizing his actions.

Cantrell also took a shot at Gov. Beckham and said that if he wanted revenge on the executive he could certainly have had it as a member of the Printing Investigation Committee. Mr. Cantrell also told of the part he has taken in the recent Legislature, especially referring to the school book bill.

CAR WORKS PROJECT OFF.

Henderson, Ky., March 30.—The matter of locating the car works here has been abandoned, at least temporarily. A letter was received from the promoters in Chicago to the effect that owing to the condition of the money market and existing stagnation in the car construction line they were unable to complete the subscription. The proposed plant was to cost \$1,000,000.

NEW CANNING FACTORY.

Mayfield, Ky., March 30.—Messrs. Jim Lowe, T. J. Wilman, Z. R. Wilman, J. R. Lowe, Banker Bishop and Drs. Richardson and Young have organized a joint stock company and will found at Lowe's a canning factory with a working capital of \$2,500. They are to can corn, tomatoes, apples, peaches, beans, peas and strawberries.

THE LAW INTERPRETED.

Frankfort, March 30.—In an opinion delivered by Attorney General Hays he holds fifty per cent. of fines incurred by commonwealth's attorneys in any year can only be used to pay salary of attorney up to \$4,000 the limit fixed. If the attorney is paid a salary the surplus cannot be devoted to paying the salary for exceeding years.

DEATH AT CLINTON.

Fulton, Ky., March 30.—News has reached the city of the death of Mr. Bill Byasse at his home near Clinton of pneumonia. Mr. Byasse had only been ill for five days. Mr. Byasse was 53 years of age and one of the most prominent men in Hickman county. He was formerly sheriff of that county.

DEATHS AT FULTON.

Fulton, Ky., March 30.—Mrs. Sue Dillon, age 66, died here. She was the mother of Monroe Dillon, and leaves one sister, Mrs. Boydson, of Moscow.

Mrs. Walter Daberry died of consumption. She was the wife of Walter Daberry who is employed by the I. C.

MAYFIELD COUPLE ELOPES.

Mayfield, Ky., March 30.—Jesse Whayne and Miss Myrtle Wrather, a prominent young couple of Oakton, eloped to Fulton and were married by Rev. P. H. Fields, of Bardwell.

Dr. Given N. Campbell, of St. Louis, arrived yesterday.

TO ASK A VOTE ON ROAD QUESTION

The Bond Proposition to be Left to the Voters of County.

If Fiscal Court Desires, the People Will Vote on the Proposition.

COURT MEETS NEXT TUESDAY.

The first regular session of fiscal court will be held next Tuesday at the county court house. A number of important matters will come up for action.

The county tax rate will be fixed, a county physician and other officers elected, and the method of working the roads will be decided on.

A proposition to leave to the people of the county the matter of issuing bonds with which to improve the county roads, will come up.

If the magistrates desire the people to express their choice in the matter, they will vote to have the sense of the voters taken at the November election and in less than two years it is expected to have all the county roads gravelled, instead of being dirt roads, as many of them are at present.

Supervisor Johnson does not know at present how the plan will take with the magistrates, but believes from what he has heard from people all over the county that the people are generally in favor of issuing bonds to permanently improve the roads by graveling them and saving the thousands of dollars a year that are now wasted in working the dirt roads.

For several years, in fact ever since the county secured control of the county roads, from \$10,000 to \$80,000 a year has been spent for working them, and as the first spell of bad weather makes the roads as bad as if no work was ever done on them, and no money was ever spent on them, the residents of the county are heartily tired of such an expensive policy.

It is thought that fiscal court will promptly order a vote on the proposition to issue \$100,000 in bonds with which to gravel the roads. It is not expected that there will be any change in the tax rate for the county.

CHEAP RATES

To all points in Montana, Washington, Oregon and British Columbia, March 1 to April 30, 1904. Special rates to North Dakota in March. Write once for information and maps, to Ira F. Schwiegel, district passenger agent, Wisconsin Central railway, 407 Trac tion Building, Cincinnati, Ohio.

GOVERNOR'S VACATION.

Frankfort, Ky., March 30.—Gov. Beckham left this morning for Louisville, en route to Bardstown, where he goes on personal business and a rest for a few days.

FULTON OFFICERS HERE.

Marshals L. C. Robertson and Jesse Walker, of Fulton, are in the city today attending court. They are witnesses in the forgery case against George Wyatt.

Mrs. G. G. Nance has returned from a several days' visit to Mayfield.

NATURE'S AWAKENING.

Seasons Change and we Change with them.

As warm weather approaches nature awakes from her long winter sleep. The dreary months of bitter cold give way to sunshine, the ice king vanishes and the swelling buds and tender sprouts give evidence of spring's awakening. The sap, the life blood of all vegetation, is coursing upward through roots and fibres, taking with it from the bosom of mother earth food for the growth and development of vegetable life. Rich soil and a free and abundant circulation of sap produces healthy vegetation, while poor soil and a deficiency of the life-giving fluid means dwarfed or stunted growth and decay.

At spring's awakening the blood from which all animal life draws its sustenance and which nourishes our bodies must be free of all impurities and in a normal, healthy condition, or evidences of it will surely crop out in the form of sores and boils, red itching eruptions, pimples, rashes and skin troubles of every description. Warm weather stirs the blood, and in the effort to throw off the accumulated poison is thrown into a feverish excitement and riotous state, and the skin is the chief sufferer. The humors and poisons with which it is filled are thrown off through the skin, and so long as the blood is burdened with impurities sores and boils, pimples and blotches, bumps and rashes will continue to come. Bad blood not only affects the skin but creates internal disorders. The Liver and Kidneys act less promptly, the stomach is upset and the appetite usually fails, and this condition of affairs is bad on the nervous system and brings on that debilitated, run-down, tired-out feeling common to this time of the year. To remove from the blood all impurities and poisons is necessary before there is a full and free circulation and healthy action. In other parts of the system. If your blood is all right then you are prepared for spring's awakening and the coming of warm weather. As a perfect spring medicine nothing is superior to S. S. S., which is made from roots and herbs gathered fresh from fields and forests and a particle of any mineral substance of any kind enters into this great vegetable remedy; and S. S. S. is the only blood purifier known of which this can truthfully be said. S. S. S. for the blood is widely and favorably known; it has been used for nearly fifty years and is more popular today than ever. If your nervous system is run down and the appetite fails, or sores, boils, pimples, or eruptions of any kind begin to appear, it indicates the blood is not up to the proper standard and that it has become impure and lost its power to nourish the body. Rich, pure blood and good circulation ensures perfect health and freedom from many annoying ailments peculiar to spring. You will find S. S. S. acts promptly and will put your system in the best possible condition for spring's awakening. If you have any blood trouble, write us about it and our physicians will help you get rid of it. Book on blood and its diseases free.

HAS A GOLDEN OPINION OF S. S. S.

Salem, Ohio, August 4, 1903.

I have a golden opinion of S. S. S. Will have no other blood medicine in the house. I do not believe there is a remedy made that can compare with it. It is a blood purifier, alterative and tonic. It purifies and restores the blood and gives tone and strength to all the organs. In other words, it builds up the general health. It drives out poisons and impurities. I am a great admirer of S. S. S., because I know it to be all you claim for it and know, too, that it is superior to Sarapicin, camphor, and other things I have used. To sum up what I have said, S. S. S. is the prince of blood purifiers and I would heartily give it my endorsement.

33 Garland Avenue. MRS. HATTIE HOYLE

INCREASED STRENGTH AND ENERGY.

Wheeling, W. Va., May 27, 1903.

This spring was greatly run down in health, and I feel that I needed a blood purifier and tonic. I began the use of S. S. S. and took some six bottles. With the result that it put my blood in good condition gave me increased strength and energy. Improved my spleen and lungs, and made me feel like a different man. A perfect purifier and tonic S. S. S. is all right.

45 York Street, Island.

WINE OF CARDUI

Are you a sufferer?

Has your doctor been unsuccessful?

Are you shocked at the idea of local examinations?

Wouldn't you prefer to treat yourself—AT HOME?

TAKE IT AT HOME

Nearly 1,500,000 women have bought Wine of Cardui from their druggists and have cured themselves at home, of such troubles as periodical bearing down and ovarian pains, leucorrhœa, barrenness, nervousness, dizziness, nausea and despondency, caused by female weakness.

These are not easy cases. Wine of Cardui cures when the doctor can't.

Wine of Cardui does not irritate the organs. There is no pain in the treatment. No cause for a knife. It is a soothing tonic of healing herbs, free from strong, and drastic drugs. It is successful because it cures in a natural way.

Wine of Cardui can be bought from your druggist at \$1.00 a bottle and you can begin this treatment today. Will you try it?

In cases requiring special directions, address, giving symptoms, The Ladies' Advisory Department, The Chattanooga Medicine Co., Chattanooga, Tenn.

BAPTISTS TO MEET IN NASHVILLE

The National Convention to Hold Its Session There.

Large Crowds From Many Places are Expected to Attend.

DELEGATES TO GO FROM HERE

The Southern Baptist Convention will meet in Nashville May 13 and continue in session five days. On the day preceding the Baptist Young People's Union of the South the American Education Society and the Woman's Missionary Union will hold their meetings. Between 4,000 and 5,000 delegates and visitors will be in attendance at the convention.

The Southern Baptist convention, with its auxiliary bodies, is the largest gathering of Baptists in the world, and perhaps the largest of any denomination. The convention represents the largest denomination in the South. It had a constituency last year of 1,737,466 white Baptists and an estimated negro membership of 1,927,089, making a total membership of 3,644,755.

The convention is fifty nine years old, having been founded in Augusta, Ga., in 1845. For several years it met biennially, but since the war its meetings have been held annually.

The president of the convention is ex-Governor James P. Eagle, of Arkansas, who succeeded ex-Gov. W. J. Northern, of Georgia. Preceding Gov. Northern was Judge Jonathan Harrelson, of the supreme court of Alabama. The vice-presidents elected last year were the Hon. George Hillier, of Atlanta; Mr. E. W. Stephens, of Columbia, Mo.; Dr. A. E. Owen, of Portsmouth, Va., and Dr. R. C. Hockner, of Dallas, Tex.

The secretaries of the convention are Dr. Lansing Burrows, of Nashville, and Dr. O. F. Gregory, of Montgomery, Ala. These gentlemen have held their positions for many years, and are known as the "Lightning secretaries." Although the record of the convention covers about 250 printed pages, it is off the press almost as soon as the convention adjourns, and frequently reaches the delegates' home before his return.

Several delegates will attend from Paducah.

UNTIL THURSDAY.

THE JOINT MINERS' CONFERENCE ADJOURNED AT LOUISVILLE.

The joint conference of committees from the operators of Western Kentucky and the United Mine Workers of America, District 23, adjourned at Louisville at 10 o'clock Thursday morning.

C. W. Wells, president of District 23, of the United Mine workers, was the only person authorized to speak to the press and said: "We agreed to adjourn until Thursday to enable a sub-committee of miners and operators to obtain certain information that is desired by both sides. I cannot tell you the nature of the information we want, nor the names of the committee. We still hope for an amicable adjustment of our differences. If we fail to agree after this subcommittee reports, Mr. Mitchell, president of the United Mine Workers of America, may come here. As it is now he wants to see our differences settled without his presence, as he is a very busy man."

INVALUABLE FOR RHEUMATISM

I have been suffering for the past few years with a severe attack of rheumatism and found that Ballard's Snow Liniment was the only thing that gave me satisfaction and tended to alleviate my pains. March 24th, 1902, John C. Degnan, Kinsman, Ills. 25c and \$1.00. Sold by DnBois Kolb & Co., Paducah, Ky.

PADUCAH PREACHER'S WORK

Rev. Wm. S. Harris, of Paducah, occupied the pulpit at the morning and evening services at the U. B. church Sunday. His sermons were very interesting and highly appreciated. He was voted a recommendation to the United Brethren Conference by the audience as a minister of the gospel.—Metropolis Herald.

We Risk It

Druggists Who Sell Dr. Miles' Nervine Agree, If It Fails, To Refund Cost.

Of course we reimburse the druggist. You know him, and trust him. Dr. Miles' Nervine is medicine for your nerves.

It cures diseases of the internal organs, by giving tone to the nerves which make these organs work.

It is a novel theory—not of anatomy, but of treatment: first discovered by Dr. Miles, and since made use of by many wide-awake physicians, who appreciate its value in treating the sick.

If you are sick, we offer you a way to be made well—Dr. Miles' Nervine.

This medicine is a scientific cure for nerve disorders, such as Neuralgia Headache, Loss of Memory, Sleeplessness, Spasms, Backache, St. Vitus' Dance, Epilepsy or Fits, Nervous Prostration, etc.

By toning up the nerves, Dr. Miles' Restorative Nervine will also cure those diseases of the internal organs due to a disordered nervous system.

Some of these are: Indigestion, Bilious Headache, Kidney Trouble, Chronic Constipation, Drowsy, Catarrh, Rheumatism, etc.

"My brother had nervous prostration, and was not expected to live. I prevailed upon him to try Dr. Miles' Restorative Nervine, and now he has recovered. You remember I wrote you how it saved my life a few years ago. When I had nervous trouble, I preach its merits to everyone."—REV. M. H. MYERS, Correctionsville, Iowa.

FREE Write us and we will mail you our free booklet, "The New Scientific Remedy for Pain. Also Symptom Blank for our Specialties to diagnose your case and tell you what you need." Address: DR. MILES' MEDICAL CO., LABORATORIES, ELKHART, IND.

NOT IMPROVED.

MR. L. W. ROBERTSON IN SANITARIUM AT MARTINSVILLE.

Many friends in Paducah will regret to learn that Mr. Lloyd W. Robertson, formerly of the city, but lately residing in Lexington, Ky., is now confined in the sanitarium at Martinsville, Ind., where he has been for several days.

Mr. Robertson went to Lexington to work for the Equitable Life Assurance company and hoping a change of location would benefit his health, but though the removal seemed him a lucrative place it has failed to improve his health, hence his sojourn at Martinsville.

MEANT BUSINESS

MAYFIELD NEGRO SHOOTS SEVERAL TIMES AT ANOTHER.

Jack Kelley, colored, while mad at another negro in Mayfield last night, shot at him once with a double barrel gun. The man was struck by the load but this did not satisfy Kelley and he attempted to fire the second time, but the gun refused to go off.

The negro then pulled his pistol and fired several times, one shot flying wild and striking a negro named Biggers. Both men were seriously wounded and Kelley is under arrest.

THE PLAGUE

40,000 DIE FROM IT IN INDIA IN ONE WEEK.

Bombay, March 30—The bubonic plague returns from all India for the week ended March 19, show a mortality of over 40,000, an increase of seven thousand over the preceding week. The death rate is heavy in all the provinces.

AN OFFICER KILLED.

Columbus, Ky., March 30—Deputy Jailer Martin Conover was shot and killed by Albert Burton, near Knifley, Ky., this county this morning. Conover and Deputy Sheriff Bram Vaughan had arrested Tom Burton, a brother of Albert, and started to Columbus with him when Albert Burton, who was in hiding, shot Conover with a double barrel shot gun. Vaughan returned the fire and thinks he hit Burton. Officers have gone after Burton.

PHOTOGRAPHER SENTENCED.

Louisville, Ky., March 30—Ollie Beattie, the Fordsville photographer, was today found guilty in the United States district court on three counts, charging him with raising five one dollar bills to ten dollars each, with having raised bills in his possession, and with intent to defraud the government, was sentenced by Judge Evans to five years at hard labor in the United States prison in Atlanta.

LOCAL OFFICIALS GETTING ACTIVE

General Council Elects License and Meat Inspectors.

Board of Public Works Meets and Elects Mr. James Eaker the Foreman.

POLICE BOARD MEETS TONIGHT

GENERAL COUNCIL ELECTS.

A called meeting of the general council was held last night to elect a license inspector, milk and meat inspector and wharfmaster. The first two offices should have been filled the first of the year when other city officials were elected, but it was suggested that ordinances be passed abolishing them, and the elections were deferred.

The aldermanic board passed the ordinances, dispensing with license inspector, and milk and meat inspector, but the council declined, leaving the positions to be filled by the general council.

Late yesterday afternoon the mayor called a meeting of the general council to attend to the matter, and all the councilmen except Councilman Riglesberger, and all the aldermen, were present.

Upon convening, a letter was read from License Inspector Ezell stating that he was entitled to hold the office and would contest the election of anyone else.

The only two nominations for the position were Officer Ed Clark, the patrolman, and a son of Police Commissioner Mann Clark, and Mr. Tom Goodman, the Mechanicsburg barber. The former was elected by a vote of 12 to 7, those voting for Mr. Goodman being: Councilman Ingram, McCarty, Rebkopf, Gilmour, Smedley, Watson and Allerman Smith.

Wharfmaster S. A. Fowler's resignation was presented and accepted, Mr. Fowler now being a member of the Board of Public works, and Capt. Frank Brown, now of the steamer Chattanooga, and Mr. Frank Mantz, were nominated. Mr. Brown received fourteen votes, Councilman McCarty, Smedley, Taylor, Watson, Hymans, Gilmour, Gilson and Ingram, and Alderman Reed, Burnett, Grief, Kraus, Singleton and Smith.

Alderman Singleton, when the matter of electing the meat and milk inspector came up, wanted a certificate of competency filed, but it was decided this could be done anytime before the official elect qualified. Drs. Warner and Garber, the veterinarians, were then nominated, and Dr. Garber was elected, those voting for Dr. Warner being Aldermen Davis, Oime, Singleton, and Councilmen Gilson and Hyman.

PUBLIC WORKS BOARD.

The first meeting of the Board of Public Works since its organization took place at the city hall last night. It was decided to do nothing in regard to the street paving under the bond issue authorized last November until the contracts have passed on the bond issue.

Street Inspector James Eaker was appointed foreman under the board, his duties being the same, and was allowed an assistant, appointing Mr. Ed McCormick, who has been assistant street inspector and is as good a man as could be found for the place.

Record books, stationery and such things were ordered, and it is given out that already enough work has been planned for this year to exhaust the street appropriation, and that the board will have little to do except supervise the work already provided for. It will meet all contracts after the legislative boards have provided for the work. A meeting will be held tomorrow night at which to choose a bookkeeper.

COMMISSIONERS MEET.

The Fire and Police Commissioners will hold a meeting this evening or tomorrow for the purpose of naming stationmen and choosing two extra police officers, and to transact other business.

Officer Ed Clark has resigned as a patrolman to accept the position of licensee inspector, to which he was elected last night, and he will be succeeded as a regular officer by Extra Officer Ernest Hill.

This will leave two positions as extra officers to be filled by the board, and it is probable former Officer Tom

Avoid Typhoid

Liquozone Makes It Impossible---A 50c Bottle Free.

We have purchased for \$100,000 the American rights to Liquozone, because it prevents and cures germ diseases, and Typhoid is one. We thus control the only way to attack the dread disease.

The germs of typhoid generally get into the body through water. They locate in the bowels, and they breed there and multiply with inconceivable rapidity. They cause ulceration of the bowels, and that is typhoid. These germs can now be killed in the water before they get into the body. And they can be killed in the body easily, quickly and certainly. Typhoid is unnecessary.

Every physician knows that he cannot kill internal germs with such poisons,

for a dose that would stop a germ trouble is a dose that stops life.

We Paid \$100,000

for the American rights to Liquozone, because it does in germ diseases—like typhoid—what nothing else known can accomplish. It is the only germicide which is harmless to the human body.

Liquozone is the result of more than 20 years of scientific and chemical research. It is made by generating gases, made in large part from the best oxygen producers. These gases are confined under pressure and, by the employment of an immense apparatus and 14 days' time, are made part of the liquid product.

The result is a product which does what oxygen does. Like oxygen gas it gives to the body the most essential elements of life. It is a tonic with which no other known product can compare. And yet, like an excess of oxygen, it is certain that we publish on every bottle offer of \$1.00 for a disease germ that it cannot kill.

50c Bottle Free

We want to show you how to stop this epidemic of typhoid. There is no time

to argue, no time to convince you. Too many lives may be lost by delay. So we simply say this: We will buy the first bottle and give it to you—to every one who asks it. Send us the coupon and we will mail you an order on your druggist for a 50c bottle, and we will pay your druggist ourselves for it.

Use it to prevent Typhoid by purifying your water. Use it to cure Typhoid if you have it. Write us today for your own sake, for you cannot afford the risk you are taking without it.

This applies to physicians as well as to patients. Any physician who doesn't know what Liquozone does is welcome to enough for a test. We have a special book for physicians referring to typhoid. We employ a physician to advise other physicians regarding it. Let us prove that Liquozone does in typhoid what all medical skill cannot accomplish without it.

Liquozone costs 50c and \$1.

CUT OUT THIS COUPON

and mail it to the Liquid Ozon Co., 458-460 Wabash Ave., Chicago. I have never used Liquozone, but if you will furnish me a 50c bottle I will use it to prevent typhoid.

DAILY THOUGHT.

"Give cheerfully. The way of giving swells the gift and God will use it grandly."

THE WEATHER.
Showers tonight with rising temperature.

ANOTHER SINCURE.

The city has made arrangements to maintain another sinecure. It has elected a "milk and meat inspector," who incidentally must look after the city's horses. He may make a pretty good horse doctor, but it is useless to have milk and meat inspectors at all under the present ordinance. Even if the horse doctor elected to fill it can capably inspect meat and milk, he will be unable to do it under the existing ordinance, because it is an impossibility.

The object of the ordinance was originally to protect the 20,000 or more people of Paducah by insuring them pure milk and meats. There was no way for the general public to ascertain whether its milk or meat was fit to eat or not, especially with regard to disease, so in response to a persistent demand on the part of the medical profession and many others, the ordinance was passed and the office was created. It has been a failure, because the men who passed it did not make a law that would insure successful inspections.

Most of the milk and meat is not now, cannot be, and will not be, inspected under the present ordinance, no matter who holds the office, and consequently the public will have no more protection than before, and the \$50 a month paid the inspector will be merely a waste of money. The city has been paying \$15 a month for attending to its horses. The difference now will be that it will pay \$50 a month.

The only kind of ordinance that will give protection to the thousands of inhabitants in Paducah and insure them pure meat and milk is one which will require every person selling meat and milk inside the city limits to first have it inspected. The inspector may then establish his office in the most convenient place, and every person selling meat or milk will have to have it first inspected, or be subject to a fine. This will make it hard on the few who sell meat and milk, but it will protect the many who eat and drink it, and this is the real object of the law. Those who object to such a law could quit the business and go into something easier. As it is now, the city has merely taken steps to waste a lot more money, despite the condition in which the treasury now is.

"DO IT TODAY."

The time word injunction, "Never put off 'till tomorrow what you can do today," is now generally prosecuted in this form: "Do it today!" That is the terse advice we want to give you about that hacking cough or demoralizing cold with which you have been struggling for several days, perhaps weeks. Take some reliable remedy for it today—and let that remedy be Dr. Boschee's German Syrup, which has been in use for over thirty-five years. A few doses of it will undoubtedly relieve your cough or cold, and its continued use for a few days will cure you completely. No matter how deep seated your cough, even if dread consumption has attacked your lungs, German Syrup will surely effect a cure—as it has done before in thousands of apparently hopeless cases of lung trouble. Now trial bottles, 25c; regular size, 75c. At all druggists.

THE DESPERIC.

ST. LOUIS COUPLE WHO HAD SEEN BETTER DAYS ENDED THEIR LIVES.

St. Louis, March 30—The dead bodies of John Altman, aged 68, and his wife, Julianne, aged 47, were found in their homes both having been asphyxiated by gas, according to their own prearrangement.

Burdened by debts, advancing years and the recollection of a fortune vanished are supposed to have led them to commit suicide. They left a note saying they had taken their own lives.

In the cellar was found the dead body of their pet cat, which has been chloroformed.

The general council slipped up on the public last night and elected a few

A SONG OF THE DAY.

THE PREVIOUS MOCKINGBIRD.
Watch out, Mister Mockingbird!
I wantin' you ter sing,
But a blizzard-breeze is fauln'
De gray fros' on yo' wing,
Eu Winter hangin' round de do'
A-climmin' kin wid Spring!

Watch out, Mister Mockingbird—

Dont' let de music go!

De weather, lak a woman,

A sayin' "Yes," eu "No;"

De sunshine-in de valley

See footprints in de snow!

De watch out, Mister Mockingbird—

You'll ketch yo' death er col'

Before you feel de sunshine

A lightin' up yo' soul;

De swing dar, in de blossoms,

En let de music roll!

—F. L. Stanton.

officers that should have been elected long ago. It is rather a reflection on the people to elect a horse doctor to inspect the milk and meat to be used as food by Paducah people, but it is probably all that could be expected of the present crowd in office, and all the people deserve, considering the fact that they elected such boards to manage their affairs. It is understood that the milk and meat inspector has been here only a few months, not long enough to be eligible to begin with, and that he knows nothing about meat or milk, in addition. If this is the case the money paid him for salary will be wasted, but what do the city officials care? The people who elected them to office must stand the consequences of their folly.

If city officials should by chance become imbued with the idea that the "pink slip" will be removed in Paducah in thirty, sixty, or ninety days by the underwriters, they should be told better. The "pink slip" it is generally understood among insurance men, will be taken off in Paducah whenever the recommendations of the underwriters are complied with. If this could be in thirty days, the pink slip would come off in thirty days. If it requires the city officials a year, the pink slip will remain on a year. Hence the quicker things are done by the city the quicker will be the relief from the high rates.

Henderson has lost the million dollar car wheel works she counted on, but our neighbor can have the satisfaction of knowing that it wasn't the fault of the town, but of the promoters in Chicago who failed to make good at their end of the line. Henderson is a buster, and will probably soon get something else just as good, if not better.

It is settled that everything will be lovely at Chicago for the national Republican convention, and the local committee has agreed to put up \$5,000 for the immediate use of the National Committee to pay convention bills. It will be a great convention, for it will outline the policy of the United States for the next four years.

Senator Burton, of Kansas, has been

convicted of improperly using his

office, but his seat in Congress will

not be vacated until the case has

gone the rounds of the court, and

then probably not until after a Senate investigation, unless he resigns.

It is said to be the first prosecution

on record under the statute.

The Democrat of Kentucky should

not bewail the factional fights in their

party and the petty quarrels among

the state officials. The officials who

are in a continual wrangle were elect-

ed by the Democrats, and a majority of

the Democrats have gotten about as

good as they deserve.

TRIAL BOTTLE FREE TO ALL.
Zoa Phora cures permanently and perfectly all diseases, weaknesses and irregularities of the sex, misplacements, suppressed and painful periods.

MRS. PAUL BURNS, Parshallville, Mich., odds, floating, leucorrhea, kidney, bladder and liver troubles, makes childbirth easy and regulates the change of life. For the critical period of transition from maidenhood to womanhood it is a matchless remedy. All women unite to praise it and all who have used it rejoice in perfect health.

Mrs. Paul Burns, Parshallville, Mich., writes: "I want all my friends to know the great good Zoa Phora has done for me. I suffered for months with nervous prostration, sick headache and kidney and bladder trouble. After holding a trial bottle, four doctors said I could not live without an operation, and I was too weak to have one. But taking four bottles of my towels and I became so strong that I lost the taste of my food. The doctor called the bunches tumors. He said that I also had a floating kidney, and would not be any better until I had it sewed in place. After using one bottle of Zoa Phora, I could stand on my feet, and after taking three bottles I could walk around the room, and after the fourth bottle I was able to walk out-of-doors."

Write the Zoa Phora Co., Kalamazoo, Mich., for a free trial bottle and copy of their illustrated medical book, "How to Live." The doctor will gladly give free special advice when needed. Zoa Phora is for sale at \$1.00 a bottle by all druggists.

THAT DELIGHTFUL DOG.

Is the dog a nuisance or a benefactor? that is the question. In yesterday's Sun a party wrote a very pathetic appeal for the canine, intimating that it was cruel, inhuman and turbulent to dispense with their valuable services both as a pet and a protector. He compared the dog with the canary bird, the cow, and the horse, stating that all were indispensable and that the dog in many instances was preferable.

Now let us look at the matter in the proper light. For instance the cow is a necessity while the dog is not. You drink the milk from the cow, eat the butter and after she has served out her time of usefulness, you fatten her and relish her as beef. How about the dog? As to the canary birds? Have you ever known one in your life to sit back on its haunches and lay at the moon keeping every one awake for a mile around? Have you ever known the horse to be allowed to roam all night in flocks of forty, to disturb the number of those who are sick? If so it is in violation of the law and the owners of the horses are fined, which they should be. It is said that the poor man needs a dog to protect his household. Why should he, when he has nothing to steal?

The rich man may need one and if he does he is certainly able to pay the tax. There are more old mongrel, worthless dogs in the city of Paducah than any place of its size in the world, and what they consume could be easily given to the many poor children in the city who are really deserving. A man will go to market and buy ten cents worth of meat for a worthless cur that would refuse to give a poor child on the street a penny. That is his business, of course, and he has a right to dispose of his money as he sees fit. There are hundreds of dogs kept in the city by people to hunt with one week in the year. If he can afford to keep the dog that long for one week's sport he is certainly able to pay the tax.

You pay tax on your horse and cow. Taxes are paid on horses and then a license of five dollars a year to use them. The mere idea of comparing a dog with the cow or horse is simply nonsensical. If you have an admiration for your dog, pay taxes on him or he must suffer the consequences.

Paducah is a metropolitan city, and all persons owning dogs in cities of its class pay taxes. So let the dog do the howling.

THE DESPERTE.

IN POVERTY

ST. LOUIS COUPLE WHO HAD SEEN BETTER DAYS ENDED THEIR LIVES.

St. Louis, March 30.—The dead bodies of John Altman, aged 68, and his wife, Julianne, aged 47, were found in their homes both having been asphyxiated by gas, according to their own prearrangement.

Burdened by debts, advancing years and the recollection of a fortune vanished are supposed to have led them to commit suicide. They left a note saying they had taken their own lives.

Get your friends to save the checks.

CAPT. J. M. EZELL WILL MAKE FIGHT

To File an Injunction Suit
Against the City.

To Prevent New License Inspector
Discharging the Duties or
Collecting Pay.

ELECTION WAS TOO LATE

The city is to have a lively fight on its hands as a result of the meeting of the general council last night, which elected Mr. Ed Clark license inspector to succeed Captain J. M. Ezell, who has held the position for the past two years.

Captain Ezell claims that he was elected under a city ordinance which specifies that the license inspector "shall" be elected in December of each year. He declares that the proper time for the general council to have elected a license inspector was last December, and that as none was elected, none can be elected now until next December, and he is still entitled to hold the office.

An effort was made between the time for electing the inspector and the election last night, to abolish the office, but the council refused to concur in the board of aldermen's action, and there was nothing left to do except elect an inspector. Captain Ezell was not a candidate under the circumstances, preferring to take his chances on the law mentioned above.

Legal opinion differs as to his grounds for a contest. He has employed Attorney J. C. Flournoy to bring an injunction suit to prevent Mr. Clark taking possession of the office, and Attorney Flournoy will file it today or tomorrow. Captain Ezell says that many of the best attorneys in the city have informed him that he has a good case, and can hold his office on the same grounds.

If Captain Ezell wins his suit, Dr. Duely can prevent the new milk and meat inspector from holding that office on the same grounds.

MAY SHUT DOWN.

HIGH WATER SUSPENDS WORK
FOR A FEW DAYS.

The marine ways shut down today at noon until the high water is over and the ship carpenters and caulkers are doing nothing at present.

The steamer Joseph Henry is on the ways for repairs and a great deal of work remains to be done on her. Captain Williams stated today at noon that the shut down would not be long he thought, as the river would come but little higher.

THE HIGH SCHOOL

New Desks Ordered for the Recitation Rooms of School.

Last night the equipment committee of the board of education met and decided to buy one hundred new recitation chairs to be placed in the recitation rooms of the High school building. There are a number of desks at the building not in use, and while the order of new chairs will not be sufficient to accommodate the entire High school, with the addition of the extra desks it will fill the want.

Attorney Sam Crossland, of Mayfield, is in the city on business.

EASTER RABBITS...

We have five rabbits in our show window which will be given away Saturday, to the five children bringing us the largest number of our sales checks. All checks count, no matter the amount. The checks must be brought to our store not later than 6 p.m., Friday.

SUDDEN DEATH

**Wife of a Prominent Farmer
Dies Near Woodville.**

**Was Busy Quilting When the Final
Summons Came to Her.**

Mrs. Mattie Moore, wife of A. J.
Moore, a prominent farmer, died sud-
denly at her home near Woodville,
this county, at 9 o'clock this morning
from paralysis.

Mrs. Moore entertained a quilting
party at her home yesterday and was
in the best of health and spirits.
Her guests left late in the afternoon
and she continued her quilting alone.
A member of her family in another
room heard her scissors drop from her
hand, and going to her found her uncon-
scious.

She died this morning, never hav-
ing regained consciousness. She was
about 55 years of age. She left a hus-
band and two sons by a former mar-
riage.

The burial will take place tomorrow
afternoon at 2 o'clock at the family bu-
rying ground.

MOTHERS' COUNCIL

**MEETING TO BE HELD TOMOR-
ROW AFTERNOON AT FIRST
BAPTIST CHURCH.**

Thursday afternoon at 3 o'clock in
the First Baptist church there will be a
gathering of mothers of Paducah in
council. The object of the council
will be to study the child in its three-
fold nature and to apply the knowl-
edge thus obtained to the practical
care of the children in the home; to
investigate the conditions of children
and mothers in all spheres of life and
to endeavor to improve them; to be
interested in all that pertains to the
welfare of the family, the community
and the nation.

It is the desire of the ladies who
have the meeting in charge to reach
every mother in the city that these
conferences may be for renewing in
their helpfulness. All mothers are
cordially invited and urged to be pres-
ent.

NOTHING DEFINITE

**CONTRACTOR SAYS NON-UNION
MEN MAY BE EMPLOYED.**

There is much speculation as to
what will be done with the carpenters'
demands for an increase in wages
in Paducah and from what the con-
tractors say it is probable that most
of the latter will ignore the demands
and hire non-union men.

"I for one will refuse to sign the
seal," a well known contractor stat-
ed this morning, "and understand
that others in the association will ig-
nore it. There is some talk of a com-
promise, but this is improbable as I
think most of the contractors will
continue to employ the men who
want to work for wages paid in ac-
cordance with the ability of the me-
chanic."

TODAY'S DEATHS

**ONE DEATH NEAR NEW HOPE—
ONE ON ELIZABETH STREET.**

Mr. Andy McKinney died this morn-
ing, near New Hope, in this county,
of dropsy. He was 68 years of age.
The funeral will take place from the
New Hope church tomorrow and the
burial will be in a family grave yard.
He left a wife and nine children.

Dora Thelma Richardson, the ten
year old daughter of Mr. W. H. Rich-
ardson, died at 9 o'clock this morning,
at 502 Elizabeth street, of pneumo-
nia. Another child in the same fam-
ily, a boy, 14 years of age, died of
the same disease recently.

The burial will take place tomorrow
at Oak Grove.

SELLS MARKET.

Mr. Julian Greer, the butcher, who
has been conducting The Ideal Meat
Market on Broadway near Fifth
street, this morning closed a deal with
Mr. Henry Biederman, the grocer, dis-
posing of his meat market for \$8,500.
Mr. Biederman will take charge Sat-
urday. Mr. Greer will not do any
thing for several weeks but will take
a rest before going into the manufac-
turing business.

**Social Notes and
About People.****U. D. C. CARD PARTY.**

The Paducah chapter United Daugh-
ters of the Confederacy had a meeting
yesterday afternoon with Miss Emma
Reed at the Palmer house, and ar-
ranged for an encircle party to be given
on for the chapter next Tuesday even-
ing. The entertainment will probably
be given in the Rieke building on
Broadway between Third and Fourth.
The ladies have secured handsome
prizes. The price of admission will
be 25 cents and the money made from
the party will be devoted to the enter-
tainment of the state U. D. C. meet-

The first lady's prize will be a silk
shirt waist suit, and the second, a
white silk parasol. These are on dis-
play at Ogilvie's dry goods store. The
gentleman's first prize will be a hand-
some dress suit case and the second, a
handsome vest, which can be seen at
Wallerstein's clothing store. At
Wolfe's jewelry store the prizes to be
offered, are on display. They are a
cut glass bowl and a gilt chair.

PARTY LAST NIGHT.

Mrs. Bostic and Mrs. Delosch gave
a party last night at their home on
South Sixteenth street in honor of Miss
Fauny Bestie. Dainty refreshments
were served. The guests were: Misses
Pearl Miller, Tommy Watts, Jimmie
Busel, Willie Wyatt, May Watson,
Robertson, Watson, Hattie Phifer,
Fauny Bestie, Masters Raymond Cas-
hier, Will Hurley, Neil Hurley, Charley
Phifer, Albert Berger, Bob Merriman,
Will Pierce, Ed Russell, Crenshaw
Russell, Clarence Wilson, George Gil-
bert, Jones Bostic and Ed Delosch.

MARRIED TODAY.

At the manse of the Cumberland
Presbyterian church Mr. Charles Pry-
or of this city, and Miss Lillian Thom-
as of 1204 Tennessee, St. were married
by Rev. Geo. O. Bachman this morn-
ing at 10 o'clock. They were accom-
panied by Mr. Hancock, and Miss El-
lis, and other friends. The newly
married couple will make their home
at 1031 Clark street. Both are popu-
lar young people.

ATTRACTIVE MUSICAL.

The musical given at the residence
of Mrs. William Eades on West Jeff-
erson street last night, by the Ramsey
society of the Broadway Methodist
church, had an unusually attractive
program and was well attended. The
entertainment was arranged by Mrs.
S. H. Winstend and was a great cred-
it to her. Some of the best musicians
in the city gave selections.

Mrs. George Phillips went to Daw-
son today for her health.

Prof. C. B. Hatfield went to Nor-
tonville today on business.

Mrs. James Utterback and children
have returned from visiting in Hop-
kinsville.

Mr. Avery Reed returned to Daw-
son today at noon after a business
trip to the city.

Attorney Mark Worrell went to Knit-
tawa today to attend the funeral of
Mr. Sam Malloy.

Col. R. G. Oldfield went to Knit-
tawa at noon to attend the funeral of
the late Sam Molloy.

Mr. Chesley Herndon will return
tonight from a business trip through
Kentucky for J. R. Smith & Son.

Mrs. N. S. Walker, of Dyersburg,
Tenn., arrived today at noon to visit
her father, Captain G. C. Crumbaugh.

Mr. W. T. Dineen, special agent
for the I. O. road, returned to Lon-
nisville at noon after a business trip to
the city.

Miss Margery Crumbaugh returned
from Columbus, Miss., last night af-
ter a two month's visit to friends and
relatives.

Attorneys Taylor and Lucas will
leave tonight for Lorisville to confer
with Humphreys, Burnett and Im-
phreys in regard to the test suit.

Messmates Laura Fowler, J. Victor
Voris and W. A. Gardner left today
for Evansville, on the Joe Fowler for
Martinsville, Ind., for a sojourn.

Mrs. David Sanders arrived home
today from San Antonio, Texas, where
she has been for several months for
her health. She is much improved.

Miss Julia Scott, who has been in San
Antonio for some weeks, has decided
to remain until the middle of April.

MORE WATER COMING

**LOCAL RIVER MEN EXPECT
ABOUT 42 FEET IN PADUCAH.**

The outlook in Paducah today is
for more water than was expected yes-
terday. The rivers are falling at
Pittsburg, Cincinnati, Chattanooga,
Nashville and other places, but it is
already 40 feet in Paducah, and will
go to at least 42 feet here, and if there
is more rain, it will go to a still greater
height.

The river is now almost to the top
of the levee, and much damage is re-
ported in the bottom lands, but un-
less there is over 45 feet there is like-
ly not to be as much damage as might
be expected.

No trace of the \$233 stolen from
Post House Keeper Wm. Wheelis has
been discovered by the police.

MORE WATER COMING

LOCAL RIVER MEN EXPECT ABOUT 42 FEET IN PADUCAH.

The outlook in Paducah today is for more water than was expected yesterday. The rivers are falling at Pittsburg, Cincinnati, Chattanooga, Nashville and other places, but it is already 40 feet in Paducah, and will go to at least 42 feet here, and if there is more rain, it will go to a still greater height.

The river is now almost to the top of the levee, and much damage is reported in the bottom lands, but unless there is over 45 feet there is likely not to be as much damage as might be expected.

—No trace of the \$238 stolen from Pest House Keeper Wm. Wheelis has been discovered by the police.

SKIN ROUGHNESS

This is the time of the year when the wind plays havoc with sensitive skins making rough faces and hands and chapped lips.

ADVERSE REPORT

Project for Movable Dam Near Henderson Opposed.

U. S. Engineer Thinks The Average Stage of Water is Sufficient.

Washington, March 30.—Col. G. J. Lydecker, one of the United States Government engineers in charge of the public work in the Ohio river, has made an adverse report upon the project to construct a movable dam between the mouth of Green river so as to make a harbor at Henderson, Ky., and Evansville, Ind., and to give a depth of six feet on the lower miter sill of lock No. 1, Green river. His report was transmitted to the House of Representatives today by Chief of Engineers Mackenzie. In it he states that he finds that a point on the Ohio river about seven miles below Henderson and about thirty-five miles below the Green river lock would probably be the best location to accomplish the double object in view.

From an engineering standpoint the proposed site is now regarded as favorable. Moreover, the depth of the channel in the Ohio, says Col. Lydecker, throughout most of the distance under consideration is more than six feet even at the lowest stage, and in the immediate vicinity of Henderson and Evansville it ranges from four to twenty feet. A general increase in depth through the Evansville and Henderson sections is therefore not deemed a matter of great moment at this time, either for general or local navigation.

A BOLD DEED

NEGRO SMASHES A WINDOW AT HARBOUR'S.

The police are looking for a mulatto who last night early poked a hole in a plate glass window at E. H. Harbour's on North Third street, near Broadway, and when he attracted the attention of the clerks, ran away. Some patent leather shoes were just inside the window, and it is supposed he was trying to get them. He had made a hole almost large enough to get the goods through, when the pounding on the window attracted some of those working inside, and they came out and found the man. He claimed some one had been knocking at the door, but suddenly dashed away and the hole he had made with a brick was discovered.

HOW CONDUCTOR NELSON WAS HURT.

Conductor Bob Nelson, of Paducah, who was yesterday on the Cairo and Fulton passenger run in the absence of Conductor Hill, happened to a painful accident at Olinton. His train was in the siding waiting for another train to pass when a truck was struck by the passing train and in an effort to get the truck out of the way his hand was caught and badly bruised. Mr. Hill, who was on a run from here to Memphis on account of the delay of trains, returned to his old run today.—Fulton Leader.

LEADING ATTORNEYS.

Jos. R. Grogan, Attorney at law, room 402 Fraternity building. Phone 686.

Pagby & Martin, No. 225 South Fourth street, up stairs.

W. V. Eaton, 217-219 Fraternity building.

CURED CONSUMPTION.

Mrs. B. W. Evans, Charwater, Kan., writes: "My husband lay sick for three months. The doctors said he had quick consumption. We procured a bottle of Ballard's Horseradish Syrup and it cured him. That was six years ago and since then we have always kept a bottle in the house. We can do without it. For coughs and colds it has no equal." 25c, 50c and \$1.00. Sold by Du Bois Kolb & Co., Paducah, Ky.

NEW PROMOTER COMING.

There is to be a new promoter here for the carnival this year, and he will be Promoter Worrell, who is expected in about three weeks. He is a man of experience and will be followed by Mr. J. J. Conley. The carnival committee will hold its next meeting Friday night.

GETTING READY

Preparations Being Made for the Republican Convention.

There Will be Seats For Nearly 9,000 People at Coliseum.

Chicago, March 30.—The sub-committee of the Republican National Committee, having in charge the arrangements for the National Convention in this city, met with the local committee to discuss the preparations that have been made at the Coliseum, where the convention is to be held.

The meeting was entirely harmonious, all the arrangements made by the local committee were approved by the members of the National Committee.

It was explained to the members of the National Committee at the outset that Chicago had never promised to put up for the use of the National Committee such a sum as \$15,000, nor, in fact, had it promised to put up any sum of money at all. What it had promised was to pay all the bills of the convention, and this it would do.

Mr. New suggested that there were some things for which the National Committee would be compelled to pay and he thought it well if the local men would place a certain sum at the disposal of the National Committee. This the local men agreed to do at once, and the amount suggested by Mr. New, \$5,000, was promptly arranged for. It was decided that all the bills for the convention are to be turned over to the local committee, and they will provide for their payment.

In going over the arrangements made for sealing it was found that the total number of seats in the hall will be 8,428. Of these 500 will be on the stage and 275 will be for the press; there will be 300 seats for delegates and the same number for alternates, leaving 5,673 for spectators.

GRAND SALE OF LOTS.

The Northview Realty and Improvement company has about 70 lots on 11th and 12th streets, in Paducah, Ky., which it will offer for PUBLIC SALE, most reasonable terms, in JUNE NEXT, unless sold before that time. These lots are situated in Paducah, Ky., and lie between Rotgering's farm and the city.

The streets have been lately graded. The lots have beautiful shade trees on them, and lie high above the streets.

An ordinance has been adopted to extend 12th street on beyond this property to Rowlandtown, and the street car company will extend its line from Trimble street on down 12th street by this property to Rowlandtown.

This property is certainly most attractive and desirable, and will soon be built up. There are no lots in the suburbs of Paducah more desirable for homes. The adjacent property is being rapidly improved, many houses having been erected recently. For particulars apply to W. D. Greer, General Manager, Paducah, Ky., March 15, 1904.

CESCARA QUININE
FOR YOUR COLD
SLEETH'S DRUG STORE

THE SINS OF THE PARENT FREQUENTLY FALL UPON THE CHILDREN.

Especially terrible does it seem that children should be born into the world—as they frequently are—having in their little innocent bodies the germs of Specific Blood Poison, or, more frequently, Scrofula, which is, as a rule, the result of Specific Blood Poison in some ancestor.

It would be an outlook almost too intolerable to contemplate if such scourges as scrofula and other forms of blood poisoning were incurable.

Yet for long centuries these diseases have baffled the most skillful medical science.

Men and women in the past have resorted to cures for this disease which were almost as obnoxious and dangerous as the disease itself.

The taking into the system of mercury and other mineral drugs cannot be too strenuously condemned and avoided in such cases.

That a cure, absolute and sure, can be effected is evidenced by the following letter, telling of the result of taking

FOERG'S REMEDY.

Ocoonia, Va., Lee Co., Aug. 15th, 1903.

To Whom It May Concern:
We have two little twin girls that were badly afflicted with Scrofula. After trying three of the best doctors we could employ they continued to get worse all the while. I was advised by a friend to try Foerg's Remedy, so I procured one bottle, and it has made them sound and well. This was four years ago, and no sign of the disease in the world.

E. C. COURTHNEY.

This is a true copy of statement sent us by Mr. Courtney, and is on file in our office.

Don't delay, but go to your druggist and get a bottle.

Price 100c per bottle. Your druggist does not handle this remedy send us \$1.00 for one bottle or \$5.00 for six bottles, with our absolute guarantee or money refunded by druggist or this company in full. All packed sent in plain wrappers. All correspondence strictly confidential.

DOINGS IN THE COURTS TODAY

Judge Reed Re-Convenes Circuit Court.

Police Court Fails to Produce Any Unusual Carts For Trial.

NEWS OF THE OTHER COURTS

Charles Sanders, white, was this morning tried in circuit court on the charge of breaking into the Friedman & Keifer whiskey house and stealing a lot of liquor.

Sanders was arraigned with John Blake, but they asked for separate trials. The case was given to the jury this afternoon at 2 o'clock, and a verdict for two years and six months returned.

At press time the case against George Wyatt, for forgery, was on trial.

Sam Given and J. W. Hall were excused as petit jurors, and L. P. James and J. H. Clark substituted.

A motion for a new trial in the case against John Mann for robbery, was filed.

The motion and reasons for a new trial in the case against Thomas Kelley were overruled.

POLICE COURT.

There was not a long session of the police court today.

H. C. Connor was fined \$1 and costs for being drunk; Frank Houser was fined \$5 and costs for disorderly conduct, by sleeping in a box car.

A. N. Walters was fined \$5 and costs for a breach of the peace by striking Mrs. Mortimer.

Walter Shelby, for creating a disturbance at Ninth and Kentucky, was charged with presenting a pistol and with a breach of the peace. He was dismissed on the former charge and the other case was left open.

The three cases against Henry Armstrong, aline Armstrong, were continued until Monday. He is charged with resisting Officer Estes, with drunk and disorderly conduct, and with a breach of the peace.

Cordelia Russell's case for stealing \$17 from Friddle Yopp, was heard and left open.

The case against Alex Hughes, colored, for striking James Norman, white, was also left open. They were employed on the Clyde, the defendant as cook, and it was claimed that Hughes struck the other man in the head with a cleaver. He swore he did not strike the man at all.

COUNTY COURT.

Snuge & Leech deed to H. Smedley power of attorney.

Articles of co-partnership were filed between W. M. Millikin, of Florence station, and I. Sayles, of Waverly, N. Y.

The former owns a saw mill at Florence station and the latter owns large tracts of timber land in the vicinity and the partnership is formed to carry on a general milling business for the purpose of the manufacture of lumber. The capital is fixed at \$8,-

000. Charles Pryor, of the city, age 26, and Lillian Thomas, of the city, age 18, have been licensed to wed. It will make the first marriage of both.

Alvin McDaniel, of Fordsville, Ky., age 31 and Emma Knott, of Harrisonville, age 28 were today licensed to wed. It will make the first marriage of both.

SUMMONING WITNESSES.

Constable J. C. Shelton went to Oaks station on the N. C. & St. L. road, this morning to serve summons on thirty witnesses to appear in the case against J. B. Green, the merchant, charged with shooting his son in law, Lee Bolton. The case will come up for trial in the circuit court here the second day of the regular term next week.

BANKRUPTCY CASE ON.

Mr. E. W. Bagby, referred in bankruptcy, went to Murray this morning to attend the first meeting of creditors in his bankrupt case of Albert Jones & Co.

INTO HANDS OF ADMINISTRATOR.

The estate of Samuel Baird was this morning ordered into the hands of the public administrator on motion of D. G. Thompson.

SUIT ON ACCOUNT.

A suit has been filed in quarterly court for Given, Clark & Co. against Steller & Hermann to collect an alleged account amounting to \$105.

PLAYED BAD MAN

James Farrell, white, was arrested this afternoon by Officers Singery and Nunce on a charge of disorderly conduct, and it is probable more serious charges will be preferred. He is alleged to have gone into various saloons today and by flourishing a pistol forced the bartenders to give him drinks. He claims he has been a sailor and just came from the south. He was probably drinking when he adopted his somewhat strenuous method of getting liquor. He will be given a hearing tomorrow.

WRECKER FOREMAN

A telegram was received this morning by the local L. O. hospital doctors saying that Mr. Robert Stockman, foreman of the Fulton wrecker, was injured and to have the ambulance at the Tennessee street crossing this afternoon to meet a freight train which would bring the injured man here.

No details of the accident were received and the friends of the injured man will regret to learn of the accident. He was well known here, having worked in the local car shops.

ATHLETIC MEET

The interscholastic athletic meet, being arranged by Physical Director H. E. Steel, of the Y. M. C. A. for April 23, at the old fair grounds, will have two divisions.

One will include the grammar school grades of the public schools, and the other will be a contest between the high school and the Leigh preparatory school.

The boys are very enthusiastic over the meet and are rapidly developing under Mr. Steel's athletic training.

CRUSHED STONE FOR THE STREETS

Contractor Katterjohn Will Attempt to Interest Paducahans.

Large Quantities Being Taken Out of His Quarries—Cities Buy Many Our Loads.

CLAIMED TO EXCEL GRAVEL.

The city officials of Paducah will shortly be asked to give crushed stone a trial as material for repairing and constructing the streets of Paducah. It is being used in many other places, and as gravel has been a miserable failure in Paducah, it is likely that officials will at least give the new material a trial.

Mr. F. W. Katterjohn, the well known contractor, left this morning for Louisville with several representatives of compress air engine manufacturing concerns and will close a contract today in that city for a big air compressor which will be used in working the drills at Mr. Katterjohn's stone quarries at Cedar Bluff.

Mr. Katterjohn is getting many orders for crushed stone for street purposes, having recently sold Dawson, and Greenville, Ky., many thousands yards to be used on the streets. Greenville and Dawson bought 10 car loads of crushed stone each, two car loads per day to be delivered until the order is filled.

Memphis, Tenn., has bought from Mr. Katterjohn's company 40,000 yards of crushed stone to be used on the streets, and if this class of material proves as durable and successful as gravel, and it has, Mr. Katterjohn claims, wherever used, it will finally replace the bad quality gravel used in many towns, and the streets will be built of crushed stone hereafter.

Mr. Katterjohn will endeavor to interest Paducah municipal officers in using crushed stone for street purposes, and thinks they will give the material a fair trial.

THE FIRST PLAYER REACHES THE CITY

G. Land, a Frankfort Catcher, Comes to Paducah.

The remainder of the team is expected today and tonight in Paducah.

SEVERAL EXHIBITION GAMES

The first baseball player to report here for duty came this morning at 4 o'clock in the person of G. Land, of Frankfort, a catcher. Land arrived over the L.C. and reported this morning for duty, but will not begin work until the weather is more favorable.

Manager Ray expects the remainder of the team to arrive today and tonight. He will begin working them in practice as soon as the rain ceases, and will get the team in as good trim as possible by the 6th, when the first game with the Cincinnati Colts will take place.

"Chief" Lloyd, who will this season play with Cairo again, knows four or five members of the Cincinnati team, and played ball with them for several years. Lloyd knows them all, or most all who have developed into stars in the big league.

Ashville will play here on the tenth and Paducah will be afforded every opportunity to see plenty of baseball before the opening of the league on the first of May.

Work on the grand stand and bleachers began yesterday and the fence will be put in good repair and the gate rearranged so that pathways enclosed by fences, will lead to the bleachers and grand stand, doing away with the possibility of a mixup and the necessity of an extra man on the grand stand.

Henderson has telegraphed Mr. Dick Rudy, treasurer of the league, that the forfeit money is ready for deposit and to draw on the Henderson association when the money is desired. The street car people have hold of the Henderson team.
